*Colours - your design,
your choice.*

VET 011

VET 012

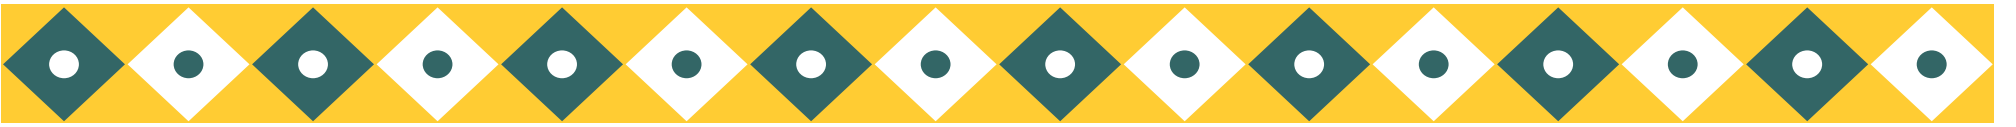

Stone effect vinyl tiles in Vinyl Enhanced Tile finish.

This offers the designer an unlimited choice of colour, chip appearance and overall layout.
The floor may be laid with colour patterns, borders, dividing strips or in any effect required.

Tile Colour

- Tiles: 304.8 x 304.8 x 3.2mm
- 45 tiles per carton
- Available in the traditional 12" x 12" tile size, **CortinaStone** consists of twelve color options with an upgraded construction as a vinyl enhanced tile. This improvement enhances the tile's life cycle cost with reduced maintenance, including the decreased use of floor finish and stripper. **CortinaStone** is designed to be not only functional but aesthetically pleasing. The line has been recolored to enhance the natural quarried stone look.

All colors of CortinaStone may be special ordered in a Slip Resistant version.
